

## **Chairman & CEO Interface Workshop**

A two day “Chairman & CEO Interface Workshop” was held in Bengaluru from 2<sup>nd</sup> June 2015 to 3<sup>rd</sup> June 2015. The Chairman and Chief Executives from the five Milk Producer Companies- “Paayas”, “Maahi”, “Shreeja”, “Baani” and “Saahaj” attended the workshop along with the senior officials from NDS.

The Milk Producer Companies are different from other Private Ltd Companies in the sense that the Management includes trained professionals while the board comprises representatives of the producers along with a few experts. It is therefore essential that there is clarity in the roles and responsibilities of Chairman and CEO so that they work together for better results.

One of the sessions was conducted by Prof. M.S. Sriram, Visiting Faculty- IIM Bangalore. Shri Ajay Vij, Faculty- “Art of Living” foundation also conducted two sessions (Apex training) for the participants. One of the important features of the workshop was the half-day long session by Mr. Devdutt Pattanaik.

Mr. Devdutt Pattanaik is a renowned author, mythologist and leadership consultant, whose work focuses on deriving management insights from mythology to reveal a very Indian approach to modern business.

The content & delivery were well appreciated by all the participant & all were of the opinion that the sessions were useful in meeting the objectives of the workshop.
